

Acknowledgement

“Thankfulness is the beginning of gratitude. Gratitude is the completion of thankfulness” – Henri Frederic Amiel

“God will make a way when there seems to be no way” – Thank you God

First and foremost, I humbly bow down before God Almighty for giving me the opportunities to cultivate patience, tolerance, hope in my life and in completing the research work successfully.

I acknowledge with overwhelming gratitude to **Padmabhusan Dr. T.S. Avinashilingam Ayya**, Founder and First Chancellor of Avinashilingam Institute for Home Science and Higher Education for Women, Coimbatore and **Padmasree Dr. Rajammal P. Devadas**, First Vice Chancellor and Former Chancellor, of this institute for their vision and wisdom in women education and shaping this temple of learning.

I wish to extend my wholehearted thanks to **Padmasree Dr. P.R. Krishnakumar**, Chancellor and **Mr. T.S. K. Meenakshi Sundaram**, Former Chancellor- for providing the opportunity to conduct my investigation in this esteemed university. With profound respect, I express my deep sense of reverential gratitude towards **Dr. (Mrs.) Premavathy Vijayan**, Vice Chancellor, Avinashilingam Institute for Home Science and Higher Education for Women, Coimbatore, for providing necessary facilities for the completion of the study. I place a deep sense of gratitude to **Dr. (Mrs.) S. Kowsalya**, Registrar, Avinashilingam Institute for Home Science and Higher Education for Women, Coimbatore, for providing adequate help required for the research work.

I extend my immense thanks to **Dr. (Mrs.) G.P Jeyanthi**, Research Director and Former Controller of Examinations for her timely help and support during the

course of the study. I gratefully acknowledge **Dr. (Mrs.) K. Manimozhi, Controller of Examinations**, for her support in carrying out the research programme in this esteemed institute successfully. I express my sincere thanks to **Dr. (Mrs.) Udhya Chandrika**, Dean of Physical Sciences and Computational Sciences- professor of mathematics and **Dr.(Mrs.) A. Parvathi**, Former Dean, Faculty of Science for her support during the research work.

“If all the world could have your dedication, there would be more progress and more interest in education. Thank you for showing resilience in it all”.

This research work and thesis would have not been possible without the support and scrupulous guidance of **Dr. (Mrs) J.Shanthi**, Professor, Department of Physics, Avinashilingam Institute for Home Science and Higher Education for Women, Coimbatore. I feel extremely privileged and blessed to work under her supervision. The way she taught, the love she showered, the knowledge she imparted, the care she took, made her the best mentor and I must acknowledge all the efforts she put to lift me up in life and research. Her inspirations, deep rooted positivity, freedom to practicalize the ideas were central features in successful completion of this research work.

I wholeheartedly thank **Dr. N. S. Rajeswari (Head i/c)**, Department of Physics, Avinashilingam Institute for Home Science and Higher Education for Women, Coimbatore for her sustained encouragement towards research development.

I extend my thanks to all the staff members of Department of Physics, Avinashilingam Institute for Home Science and Higher Education for Women, Coimbatore for their compassionate support, encouragement and timely help throughout the research work.

I specially acknowledge **Dr. K. Ramachandran**, Associate Professor, Department of Physics, Bharathiar University, Coimbatore- Doctoral committee member for providing suggestions, ideas for improving the quality of the work and thesis.

“No love is greater than mom’s love, and no care is greater than dad’s care”.

I am very much grateful to my mother **Mrs. P S Parvathy** and my father **Mr. Subramaniam V** for their belief, generous blessings and support throughout my life. Without their inspiration, drive, I might not be the person I am today. I am indebted to the sacrifice and kindness of My father-in-law Late **Mr. C N Viswanathan** and mother-in-law **Mrs. Lakshmi Viswanathan** for their immense support in doing the research work.

“The best and most beautiful things in this world cannot be seen or even heard, but must be felt with the heart” – Hellen Keller

And my special and grateful thanks to my lovable husband **Mr. C V Narayanan**, who was with me in all my endeavours, His love, care, kindness and support helped me to continue the work. He made me to believe in what I am. His great support made me succeed in this research work. I thank all my family members for their support in enduring my research work.

I wish to extend my thanks to the unborn baby in my womb, who started to explore things in the womb itself, awaiting his/her birth during this period.

I would like to acknowledge my research colleagues, **(Ms.) R Swathi and (Ms.) O Seifunnisha** for their kind support, scientific discussions and encouragement throughout the research work and I specially thank all the research scholars for their care and support throughout the journey.

I personally thank all my friends and relatives for being pillars of support at my hard times and celebrating me for every small thing. Gratitude unlocks the fullness of life. I am grateful to everyone for all who have been my amiable support.

Aishwarya S
