

## ACKNOWLEDGEMENT

First and foremost, I wish to express my sincere and humble gratitude to the **God Almighty** for his grace and blessings showered from the start to the completion of the study.

I wish to place on record my deepest sense of gratitude and indebtedness to **Thiru T.K. Shanmuganandham**, Chancellor, Avinashilingam University for Women, Coimbatore, for providing me the opportunity to undertake this research investigation.

I wish to express my reverential, overwhelming gratitude to **Dr. Saroja Prabhakaran**, Vice Chancellor, Avinashilingam University for Women, Coimbatore for rendering benevolent support and encouragement given during the tenure of the study.

My sincere thanks and gratitude are due to **Dr. Gowri Ramakrishnan**, Registrar, Avinashilingam University for Women, Coimbatore, for extending immense and all possible help for the smooth conduct of the study.

I wish to record my profound thanks to **Dr. R. Parvatham**, Dean, Faculty of Science, Avinashilingam University for Women, Coimbatore, for the valuable suggestions, inspirations and help given during the period of investigation.

It is my privilege to express my sincere thanks to **Dr. S. Parvathi**, Professor and Head of the Department of Botany and Life Sciences, Avinashilingam University for Women, Coimbatore, for her constant support and valuable suggestions throughout my study.

My cordial and sincere thanks are due to **Dr. B. Shyamala Vijayavathi**, Professor and Head of the Department of Zoology, Avinashilingam University for Women, Coimbatore, for her keen interest and constant motivations and timely help rendered for the successful completion of my project work.

Words cannot express my heartfelt thanks and gratitude to my respected guide **Dr. N. Krishnaveni**, Reader, Department of Zoology, Avinashilingam University for Women, Coimbatore, for suggesting this research problem and her excellent guidance, advice, valuable comments, scientific freedom and magnanimous support during the course of my study.

I want to take this opportunity to express my gratitude to all my **teachers** in the Department of Zoology and Botany, for their valuable help, encouragement and constant support rendered at various stages of my study.

I am highly thankful to **Mr. Sökkalingam**, Tamilnadu Agricultural University, Coimbatore, for his immense help for processing statistical data of my thesis.

I have immense pleasure in acknowledging the precise and conscientious typing of the manuscript done by **Mrs. Renuka Sreenivasan** with utmost care and constant help.

A special word of thanks is due to **Mrs. Shanthi Senthilkumar** and **Mrs. Vijayalakshmi** for their timely help and co-operation.

I owe a deep debt of gratitude to my beloved **parents, in-laws, sister, spouse Mr. P. Deenadayalan**, and my loving son **Uma Shankar**, for their unending love and without their co-operation and encouragement the study would not have seen the light of the study.
