

Dr. M. Anjum Khan is working as an Assistant Professor of English in Avinashilingam Institute for Home Science and Higher Education for Women, Coimbatore. She has three years of teaching experience and 6 years of research experience. Her areas of research have been British Literature, Immigrant Canadian Literature and Literary Theories. However, she is interested in teaching subjects like history, literature, disability studies, and literary theories. She has published research articles in reputed national and international journals, chapters in books and presented papers in national and international conferences and has conducted workshops on journalism and assistive technology. She has also delivered motivational speeches in colleges and corporate institutes. She is a voracious reader and finds pleasure in writing down her thoughts, creating stories and posting on her blog.

Dr. S. Kalamani is an Associate Professor of English in Avinashilingam Institute for Home Science and Higher Education for Women, Coimbatore. She has twenty-eight years of teaching and twenty years of research experience to her credit. She has guided five Ph.D. scholars, twelve M.Phil. scholars, and more than twenty M.A. students. She has published research articles in reputed national and international journals, chapters in books and presented papers in national and international conferences. Her areas of interest are American Literature, British Literature, Translation Studies, Dalit Literature and Indian Writing in English. She has been in the editorial board of the University Magazine and the University News Letter. She has been actively involved in outreach programmes for more than fifteen years.

A Note of Gratitude

Gratitude is heaven itself. —William Blake

At the outset, we offer our reverential thanks to God Almighty for this blessed opportunity and for rendering us with all the means to complete the book successfully. We express our profuse gratefulness to Avinashilingam Institute for Home Science and Higher Education for Women, Coimbatore for providing us the excellent opportunity to carry out research in this esteemed University and forgiving the possible assistance towards the completion of the study. Our profound thanks are due to all our colleagues for their strong support and encouragement. We record our sincere and special thanks to the writer M. G. Vassanji for sparing his time to clarify the doubts related to the works undertaken for the study. We are deeply indebted to the resource persons and experts like, Mr. Iqbal Kasam Ali Darddia, Mumbai and Dr. M. K. Sripathi for helping us with the necessary records, constructive criticism and suggestions. On a more personal note we owe our special thanks to our beloved families for nurturing us with moral support and constant encouragement at all stages that helped us to finish our work on time.

Dr. M. Anjum Khan and Dr. S. Kalamani

A special note of thanks to my mentor and advisor Dr. S. Kalamani for walking along with me through this endeavour.

Ever grateful Dr. M. Anjum Khan
