

Analysis of Manufacturing Sector in the Southern States of India Before and After Economic Reforms

By

R.S. Sripoorni
(13 PHECF 002)

Supervisor

Dr. M. Manonmani

A Thesis Submitted to
Avinashilingam Institute for Home Science and Higher Education
for Women, Coimbatore - 641 043

In Partial Fulfilment of the Requirements for the Degree of
Doctor of Philosophy in Economics

October 2016

Certificate

CERTIFICATE

This is to certify that the thesis entitled “**Analysis of Manufacturing Sector in the Southern States of India Before and After Economic Reforms**” submitted to Avinashilingam Institute for Home Science and Higher Education for Women, Coimbatore, in partial fulfilment of the requirements for the award of original research Degree of doctor of philosophy in Economics, is the record of research work by **R.S. Sripoorni** carried out by her study during the period from **2013 to 2016** under my guidance and supervision and that this work has not formed the basis for the award of any Degree / Diploma / Associateship / Fellowship or similar title in this University or any other University or Institution of Higher Learning.

ACKNOWLEDGEMENT

First and foremost, the investigator is extremely thankful to the **Lord Almighty** for the grace and blessings showered to complete the thesis work in a successful way.

The investigator expresses her immense gratitude to **Dr. P.R. Krishnakumar**, Chancellor, Avinashilingam Institute for Home Science and Higher Education for Women, Coimbatore, for providing the opportunity and exposure to a world of knowledge.

The investigator expresses her immense gratitude to **Dr. Premavathy Vijayan**, Vice-chancellor, Avinashilingam Institute for Home Science and Higher Education for Women, Coimbatore, for providing the opportunity to carry out the study in this esteemed institution.

The investigator expresses her thanks to **Dr. (Tmt.) A. Venmathi**, Registrar (i/c), Avinashilingam Institute for Home Science and Higher Education for Women, Coimbatore, for the administrative support given for the successful completion of the study.

The investigator expresses her thankful to **Dr. K. Manimozhi**, Controller of Examinations, Avinashilingam Institute for Home Science and Higher Education for Women, Coimbatore for her timely help and necessary advice.

The investigator expresses her heartfelt thanks to **Dr. P. Ambiga Devi**, Dean of Humanities, Avinashilingam Institute for Home Science and Higher Education for Women, Coimbatore, for her inspiring motivation to undertake the research work.

The investigator expresses her sincere gratitude to **Dr. K.T. Geetha**, Professor and Head of the Department of Economics, Avinashilingam Institute for Home Science and Higher Education for Women, Coimbatore, for her guidance and help in the conduct of the study.

The investigator specially acknowledges with a deep sense of gratitude and considers most fortunate enough to have received an opportunity to work under the guidance of **Dr. M. Manonmani**, Professor of Economics, Avinashilingam Institute for

Home Science and Higher Education for Women, Coimbatore, for her expertise, inspiration, sincerity and excellent guidance and support from the beginning till the end of the entire research period which had enriched me to develop an understanding of the subject profoundly.

The researcher extends her thanks to all the staff members in the Economics Department for their timely help, guidance and support for the successful conduct of the research work. Further, the researcher owes her gratitude to the librarian of Avinashilingam Institute for Home Science and Higher Education for Women, Coimbatore for permitting to make use of the resources.

On a more personal note, the investigator is highly grateful to her parents, family members and friends for their support, encouragement, understanding, care and patience rendered throughout the period of the study.

List of Contents

LIST OF CONTENTS		
CHAPTER NO.	TITLE	PAGE NO.
I	INTRODUCTION	1
II	REVIEW OF LIERATURE	10
	A. Efficiency in manufacturing industries.	19
	B. Malmquist productivity index in manufacturing industries.	22
	C. Causal relationship in manufacturing industries.	30
	D. Production function estimates in manufacturing industries.	38
	E. Productivity in manufacturing industries	47
	F. Other related studies.	
III	METHODOLOGY	52
	A. Selection of the topic	52
	B. Selection of the area	54
	C. Database of the study	55
	D. Theoretical background	61
	E. Tools of analysis	76
	F. Concepts and definitions	79
	G. Limitations of the study	
IV	RESULTS AND DISSCUSSION	80
	A. Efficiency Analysis	80
	a. Technical Efficiency	87
	b. Scale Efficiency	94
	c. Cost Efficiency	100
	d. Allocative Efficiency	107
	B. Decomposition of Total Factor Productivity Growth	125
	C. Relation among Real Wages, Inflation and Productivity	148
	D. Production Function Estimates
