

## *ACKNOWLEDGEMENT*

## **ACKNOWLEDGEMENT**

*First and foremost, the author wishes to express her sincere and humble gratitude to the **God Almighty** for his grace and blessings showered from the start to the completion of the study.*

*The author places on record her sincere gratitude to **Thiru. T. K. Shanmuganandam**, Chancellor, Avinashilingam University for Women, Coimbatore, for giving her the opportunity to carry out the study in this University.*

*The author expresses her reverential thanks to **Hony. Col. Dr. Saroja Prabhakaran**, Vice Chancellor, Avinashilingam University for Women, Coimbatore, for rendering benevolent support and encouragement given during the tenure of the study.*

*The author expresses her gratitude to **Dr. Gowri Ramakrishnan**, Registrar, Avinashilingam University for Women, Coimbatore, for extending immense and all possible help for the smooth conduct of the study.*

*The author expresses her special gratitude to **Dr. R. Parvatham**, Dean, Faculty of Science and Head of the Department of Biochemistry, Biotechnology and Bioinformatics, Avinashilingam University for Women, Coimbatore, for the valuable suggestions, inspirations and help given during the study period.*

*The author expresses her deep sense of thanks to **Dr. S. Saroja**, Former Professor and Head, Department of Biochemistry, Biotechnology and Bioinformatics, Avinashilingam University for Women, Coimbatore, for her dynamic guidance, consistent inspiration and sustained support throughout the study. Without her timely advice and constant encouragement this thesis would not have been brought out in the present form.*

*The author expresses her deep heartfelt thanks to **Dr. Sivagami Srinivasan**, Reader, Department of Biochemistry, Biotechnology and Bioinformatics, Avinashilingam University for Women, Coimbatore, for her constant encouragement, valuable suggestions, meticulous care and constructive criticism during the study.*

*The author is deeply obliged to **Dr. G.P. Jeyanthi**, Professor, Department of Biochemistry, Biotechnology and Bioinformatics, Avinashilingam University for Women, Coimbatore, for her valuable help, learned counsel and constant support throughout the study.*

*The author expresses her sincere thanks to all her **Teachers** and **Colleagues** in the Department of Biochemistry, Biotechnology and Bioinformatics, Avinashilingam University for Women, Coimbatore, for the encouragement and co-operation given to her during the course of the research.*

*She wishes to express her special thanks to **Dr. S. Shyam**, Lecturer, Dr. N.G.P. Pharmacy College, Coimbatore, for the help rendered in the Phase III study and **Dr. Subha Rao**, P.S.G. Institute of Medical Science, Coimbatore, for the interpretation of the histopathological data.*

*A special word of thanks is due to **Mr. V.P. Natarajan**, **Mr. N.S. Suresh**, **Mr. R. Mahalingam**, **Mrs. V.P. Sarojini** and **Dr. Parimala** for their kind help and encouragement. The help rendered by **Ms. T. Abirami**, **Ms. K. Uma** and **Ms. R. Vidya** is gratefully acknowledged.*

*The author forever remains grateful to her beloved **mother**, **spouse**, **brother**, **sister-in law** and her loving daughter **Sai Aswini** for their unending love and without their co-operation and encouragement the study would not have seen the light of the day.*
