

ACKNOWLEDGEMENT

The fulfilment that accompanies the successful completion of any work would be incomplete without the mention of the people who made it possible and whose endless encouragement and guidance has been a foundation of motivation in the course of completion of this Thesis.

Above all, I thank **GOD ALMIGHTY** for His abundant mercy, wisdom, good health and infinite grace showered upon me throughout the period of my study and the successful completion of this research work.

I am grateful to **Prof. S. P. THYAGARAJAN**, Chancellor, Avinashilingam Institute for Home Science and Higher Education for Women, Coimbatore, for providing me an opportunity to pursue my research in this esteemed institution.

I wish to thank **Dr. P. R. KRISHNAKUMAR**, Former Chancellor, Avinashilingam Institute for Home Science and Higher Education for Women, Coimbatore, for giving me pleasant and friendly working atmosphere in this prestigious institution.

I wish to assure my solicitous gratitude to **Dr. V. BHARATHI HARISHANKAR**, Vice Chancellor, Avinashilingam Institute for Home Science and Higher Education for Women, Coimbatore, for her note-worthy encouragement and providing necessary resources throughout the period of study.

I express my deepest thanks to **Dr. PREMAVATHY VIJAYAN**, Former Vice Chancellor, Avinashilingam Institute for Home Science and Higher Education for Women, Coimbatore, for granting approval to carry out my research in this institution.

I owe my gratitude and indebtedness to **Dr. S. KOWSALYA**, Registrar, Avinashilingam Institute for Home Science and Higher Education for Women, Coimbatore, for her kind and patient support in view of research.

I wish to thank to **Dr. K. MANIMOZHI**, Controller of Examinations, Avinashilingam Institute for Home Science and Higher Education for Women, Coimbatore, for all her help, support and inspiration in various aspects.

My Sincere thanks to **Dr. P. LALITHA**, Dean (i/c), Research and Development, Avinashilingam Institute for Home Science and Higher Education for Women, Coimbatore, for continual support and valuable suggestions on each and every pace of this productive research work.

I record my gratefulness to **Dr. G. P. JEYANTHI**, Former Director, Research and Consultancy, Avinashilingam Institute for Home Science and Higher Education for Women, Coimbatore, for her timely help and support during the pandemic to conduct all the necessary procedures online mode without delay. The success of this research work partly depends on her commendable advice and sustenance.

I profusely thank **Dr. G. PADMAVATHI**, Dean, School of Physical Sciences and Computational Sciences, Avinashilingam Institute for Home Science and Higher Education for Women, Coimbatore, for her constant support, valid advice and approvals for pursuing my research work.

I acknowledge my profound gratitude to **Dr. K. UDAYA CHANDRIKA**, Retd. Professor of Mathematics and Former Dean, School of Physical Sciences and Computational Sciences, Avinashilingam Institute for Home Science and Higher Education for Women, Coimbatore, for her scholarly advice and reinforcement to pursue and conduct the study.

I express my genuine credits to **Dr. N. BALAMANI**, Assistant Professor (SS) and Head (i/c), Department of Mathematics, Avinashilingam Institute for Home Science and Higher Education for Women, Coimbatore, for her consistent support and adequate help towards all the struggles in the completion of the study.

I extend my special thanks to **Dr. P. JEYALAKSHMI and Dr. S. SIVAKAMASUNDARI**, Retd. Professors and Former Heads, Department of Mathematics, Avinashilingam Institute for Home Science and Higher Education for Women, Coimbatore, for their helpful suggestions and approvals to lead the research work.

I wish to owe my very deepest gratitude to my beloved Madam, **Dr. S. MUTHULAKSHMI**, Retd. Professor, Department of Mathematics, Avinashilingam Institute for Home Science and Higher Education for Women, Coimbatore, who has been a driving force and gave me an insight to pursue my research work.

I am greatly obliged to my privileged supervisor **Dr. N. BALAMANI**, Assistant Professor (SS) and Head (i/c), Department of Mathematics, Avinashilingam Institute for Home Science and Higher Education for Women, Coimbatore who have stood by me in all my works, her encouragement, enthusiasm and consistency made me to proceed with the work further and further in a fruitful way. Her scholarly ideas made me to develop new different concepts in the thesis. The success of this thesis lies in her observations, comments and suggestions to improve the work on a daily basis. She is truly an inspiring role model for me to pursue my career in the future.

I am pleased to thank **Dr. N. NAGAVENI**, Professor and Head, Department of Mathematics, Coimbatore Institute of Technology, Coimbatore, for her graceful presence during all the Doctoral Committee Meetings as the Doctoral Committee Advisor and for her dutiful guidance and encouragements regarding my presentations.

I wish to thank all the **FACULTY MEMBERS OF THE DEPARTMENT OF MATHEMATICS**, Avinashilingam Institute for Home Science and Higher Education for Women, Coimbatore, for their encouragement and support. My Special word of thanks to **Dr. D. JAYANTHI**, Assistant Professor (SS), Department of Mathematics, for the kind and generous comments given by her throughout the procedures.

Last but foremost, I bow down with deepest gratitude to my beloved parents, my sister, my husband, who are the pillars of support and encouragement. I would also like to thank my lovable daughter for her maturity in understanding the schedule of the research. The submission of the thesis happens because of their gracious support, blessings and prayers. On the whole I thank all the good souls who trusted and believed me in completion of this great endeavour.

S. SUBHALAKSHMI
