ACKNOWLEDGEMENT

First of all I bow before the Almighty who is caring me in all ups and downs with merciful love and protection in my life forever.

I owe my reverential gratitude to Thiru T.K. Shanmuganandam, Chancellor, Dr. (Tmt.) Shantha B. Kurup, Vice Chancellor (incharge), Dr. (Tmt.) Saroja Prabhakaran, former Vice Chancellor, Dr. Gowri Ramakrishnan, Registrar, Avinashilingam Deemed University for Women, Coimbatore, for providing the opportunity for conducting the study.

I express my heartfelt gratitude to Dr. (Tmt) R. Parvatham, Dean, Faculty of Science, Professor and Head of the Department of Biochemistry, Biotechnology and Bioinformatics, Avinashilingam Deemed University for Women, Coimbatore, for her constant inspiration and good wishes that led to the successful completion of the study.

I extend my deep sense of gratitude to my guide Dr. (Tmt.) A. Pushpa, Associate Professor, Department of Biochemistry, Biotechnology and Bioinformatics, Avinashilingam Deemed University for Women, Coimbatore, for her expert suggestions, incessant inspiration, immense patience and valuable guidance, which evinced throughout the course of this investigation in an organized manner.

I record my sincere thanks to all the teaching staff members of the department who helped to carryout the research work,

I wish to express my thanks to all the non-teaching staff members for rendering support during the study.

On a more personal note, I am very much thankful to Mr. A. Nageswara Rao and my friends for their sustained valuable advice and moral support which helped me through tough times of the study.

Last but not the least, I am wordless to express my heartfelt thanks to my beloved mother Mrs. Lalitha Gangadharan, dear father Mr. R. Gangadharan and my sister Ms. Sandhiya Gangadharan for their silent prayers which rendered throughout the research period.
