

List of Tables

Table No.	Title of the Table	Page No.
Table 1	Demographic Distribution of the Sample	78
Table 2	Cognitive Abilities of People with AUD before Intervention	81
Table 3.1	Effect of Colouring on Cognitive Abilities of People with AUD	88
Table 3.2	Effect of Music on Cognitive Abilities of People with AUD	91
Table 3.3	Effect of Story-Telling on Cognitive Abilities of People with AUD	94
Table 3.4	Effect of HACRT on Cognitive Abilities of People with AUD	97
Table 3.5	Cognitive Abilities of People with AUD under Control Condition	99
Table 4.1	Effect of Intervention on the Verbal Fluency of People with AUD	102
Table 4.2	Effect of Intervention on the Categorical Fluency of People with AUD	104
Table 4.3	Effect of Intervention on the Attention of People with AUD	106
Table 4.4	Effect of Intervention on the Working Memory of People with AUD	107
Table 4.5	Effect of Intervention on the Fine Motor Skills of People with AUD	109
Table 4.6	Effect of Intervention on the Reaction Time of People with AUD	111
Table 4.7	Effect of Intervention on the Perceptual Speed of People with AUD	113
Table 4.8	Effect of Intervention on the Perceptual Accuracy of People with AUD	114
Table 5	Neuro-Behavioural Functioning of People with AUD before Intervention	117
Table 6.1	Effect of Colouring on Neuro-Behavioural Functioning of People with AUD	120

Table No.	Title of the Table	Page No.
Table 6.2	Effect of Music on Neuro-Behavioural Functioning of People with AUD	122
Table 6.3	Effect of Story-Telling on Neuro-Behavioural Functioning of People with AUD	124
Table 6.4	Effect of HACRT on Neuro-Behavioural Functioning of People with AUD	126
Table 6.5	Neuro-Behavioural Functioning of People with Alcohol Use Disorder under Control Condition	128
Table 7.1	Effect of Intervention on the Dimension Depression of People with AUD	131
Table 7.2	Effect of Intervention on the Dimension Somatic of People with AUD	133
Table 7.3	Effect of Intervention on the Dimension Memory of People with AUD	134
Table 7.4	Effect of Intervention on the Dimension Communication of People with AUD	136
Table 7.5	Effect of Intervention on the Dimension Aggression of People with AUD	137
Table 7.6	Effect of Intervention on the Dimension Motor of People with AUD	139

List of Figures

Figure No.	Title of the Figure	Page No.
Figure 1	Procedure of the Study	77
Figure 2.1	Effect of Colouring on Cognitive Abilities of People with AUD	89
Figure 2.2	Effect of Music on Cognitive Abilities of People with AUD	92
Figure 2.3	Effect of Story-Telling on Cognitive Abilities of People with AUD	95
Figure 2.4	Effect of HACRT on Cognitive Abilities of People with AUD	98
Figure 2.5	Cognitive Abilities of People with AUD under Control Condition	100
Figure 3.1	Effect of Intervention on the Verbal Fluency of People with AUD	103
Figure 3.2	Effect of Intervention on the Categorical Fluency of People with AUD	105
Figure 3.3	Effect of Intervention on the Attention of People with AUD	106
Figure 3.4	Effect of Intervention on the Working Memory of People with AUD	108
Figure 3.5	Effect of Intervention on the Fine Motor Skills of People with AUD	110
Figure 3.6	Effect of Intervention on the Reaction Time of People with AUD	111
Figure 3.7	Effect of Intervention on the Perceptual Speed of People with AUD	113
Figure 3.8	Effect of Intervention on the Perceptual Accuracy of People with AUD	115
Figure 4	Neuro-Behavioural Functioning of People with AUD before Intervention	118

Figure No.	Title of the Figure	Page No.
Figure 5.1	Effect of Colouring on Neuro-Behavioural Functioning of People with AUD	121
Figure 5.2	Effect of Music on Neuro-Behavioural Functioning of People with AUD	123
Figure 5.3	Effect of Story-Telling on Neuro-Behavioural Functioning of People with AUD	125
Figure 5.4	Effect of HACRT on Neuro-Behavioural Functioning of People with AUD	127
Figure 5.5	Neuro-Behavioural Functioning of People with AUD under Control Condition	129
Figure 6.1	Effect of Intervention on the Dimension Depression of People with AUD	132
Figure 6.2	Effect of Intervention on the Dimension Somatic of People with AUD	133
Figure 6.3	Effect of Intervention on the Dimension Memory of People with AUD	135
Figure 6.4	Effect of Intervention on the Dimension Communication of People with AUD	136
Figure 6.5	Effect of Intervention on the Dimension Aggression of People with AUD	138
Figure 6.6	Effect of Intervention on the Dimension Motor of People with AUD	139

List of Appendices

Appendix No.	Title of the Appendix	Page No.
Appendix I	Informed Consent Form (English)	194
Appendix II	Informed Consent Form (Tamil)	195
Appendix III	Personal Details Profile (English)	196
Appendix IV	Personal Details Profile (Tamil)	197
Appendix V	Assessment of Cognitive Abilities (Pre-test) (English)	198
Appendix VI	Assessment of Cognitive Abilities (Pre-test) (Tamil)	201
Appendix VII	Assessment of Cognitive Abilities (Post-test) (English)	204
Appendix VIII	Assessment of Cognitive Abilities (Post-test) (Tamil)	207
Appendix IX	Neuro-behavioural Functional Inventory (English)	210
Appendix X	Neuro-behavioural Functional Inventory (Tamil)	212
Appendix XI	Institutional Human Ethics Committee (IHEC) Report	215
Appendix XII	Plagiarism Report	216
