ACKNOWLEDGEMENT

“I can do all things through Christ who strengthens me”

- Philippians 4:13

The investigator pays her heartfelt salutations to **“Almighty God”** for endowing her with immense blessings, grace, and compassion, shown to her throughout this study and for also providing ample strength and resolve which helped her overcome the hurdles, paving way for successful completion of the study.

The investigator places her reverential gratitude to Padma Bhusan **Dr. T.S. Avinashilingam**, Founder and First Chancellor, and the Doyen of Nutrition, **Dr. (Tmt.) Rajammal P. Devadas**, Former Chancellor, Avinashilingam Institute for Home Science and Higher Education for Women, Coimbatore, dynamic administrators, true philosophers and great academicians.

The investigator expresses her profound sense of gratitude and sincere thanks to **Padmashri Dr.P.R.Krishnakumar**, Former Chancellor, Avinashilingam Institute for Home Science and Higher Education for Women, Coimbatore.

The investigator expresses her heartfelt thanks and deep sense of gratitude to **Prof. S.P. Thyagarajan**, Chancellor, Avinashilingam Institute for Home Science and Higher Education for Women, Coimbatore.

The investigator expresses her deep sense of gratitude to **Dr. Premavathy Vijayan**, Former Vice Chancellor and **Dr.V.Bharathi Harishankar** , Vice Chancellor, Avinashilingam Institute for Home Science and Higher Education for Women, Coimbatore.

The investigator extends her profound thanks to **Prof.S. Kowsalya**, Registrar, Avinashilingam Institute for Home Science and Higher Education for Women, Coimbatore, for providing the amenities for carrying out the study successfully.

The investigator is grateful to **Prof. P.Lalitha**, Director (i/c), Research and Development. Avinashilingam Institute for Home Science and Higher Education for Women, Coimbatore, for the support in the conduct of the study.

She expresses her gratitude to **Prof.K.Manimozhi**, Controller of Examinations Avinashilingam Institute for Home Science and Higher Education for Women, Coimbatore for her support and encouragement for the submission of this research work.

She extends her wholehearted thanks to **Prof.N.Vasugi**, Dean, School of Home Science, Professor, Department of Textile and Clothing, Avinashilingam Institute for Home Science and Higher Education for Women, Coimbatore, who has shown extreme interest and support towards the research work.

The investigator would like to express her humble note of thanks to **Prof.M.Sylvia Subapriya**, Professor and Head of the Department of Food Science and Nutrition, Avinashilingam Institute for Home Science and Higher Education for Women, Coimbatore, for her guidance and support.

The investigator is highly indebted to her supervisor, **Prof. C.A.Kalpana**, Deputy Dean, School of Home Science, and Professor, Department of Food Science and Nutrition, Avinashilingam Institute for Home Science and Higher Education for Women, Coimbatore, for her methodical guidance, motivation, constant encouragement and patience at every stage of work. The investigator is ever indebted to her for taking the time and effort to guide the investigator throughout her research journey and for the constructive criticisms, rigor and passion on the investigator's research. This endeavour would not have been possible without her. The associated experience has broadened the investigator's perspective in the field of research.

The investigator offers her profound thanks to **Prof. G.P.Jeyanthi**, Former Director, **Research and Consultancy**, Avinashilingam Institute for Home Science and Higher Education for Women, Coimbatore for her invaluable and timely support and guidance at each and every step for the submission of this research work.

The investigator would like to express her humble note of thanks to **Prof. A.Thirumani Devi**, Professor, Former Head, Department of Food Science and Nutrition, Avinashilingam Institute for Home Science and Higher Education for Women Coimbatore for her guidance and support.

The investigator is grateful to all the Faculty members, Department of Food Science and Nutrition, for their support and guidance in effective completion of this study.

The investigator expresses her heartfelt thanks to principals, teachers and who are taking care of the special children in schools at Chennai. And all the study participants and their caregivers who were very co-operative and has spent their valuable time for the effective completion of the study.

The investigator expresses her deepest love and gratitude to family, friends and well-wishers who helped in many ways throughout the study period. No words are enough to express her everlasting love and gratitude to her beloved Mother, Brothers, Grandma and Grandpa and all her family members for their support and encouragement at all times and patience during the entire research period.
