

**Cognitive Strategies Influencing Academic Achievement
of Higher Secondary School Students**

By

G. Vinitha

(Reg. No. 11PH12)

Supervisor

Dr. Indu H.

**A Thesis Submitted to
Avinashilingam Institute for Home Science and Higher Education for
Women, Coimbatore - 641 043**

**In Partial Fulfilment of the Requirements for the Degree of
Doctor of Philosophy in Education**

March, 2016

CERTIFICATE

This is to certify that the thesis entitled “**Cognitive Strategies Influencing Academic Achievement of Higher Secondary School Students**” submitted to Avinashilingam Institute for Home Science and Higher Education for Women, Coimbatore, for the award of the degree of **Doctor of Philosophy in Education** is a record of original research work done by **G. Vinitha** during the period of her study in the Department of Education, Avinashilingam Institute for Home Science and Higher Education for Women, Coimbatore, under my supervision and guidance and the thesis has not formed the basis for the award of any Degree/ Diploma/ Associateship/ Fellowship or similar title to any candidate of any other University or Institute.

**Signature of the
Head of the Department**

Signature of the Guide

Signature of the Dean

DECLARATION

I hereby declare that the matter embodied in the thesis entitled “**Cognitive Strategies Influencing Academic Achievement of Higher Secondary School Students**” is the result of investigation carried out by me in the Department of Education, Avinashilingam Institute for Home Science and Higher Education for Women, Coimbatore, under the supervision and guidance of **Dr. Indu H.**, Associate Professor, Department of Education, Avinashilingam Institute for Home Science and Higher Education for Women, Coimbatore and it has not been submitted for the award of any Degree/ Diploma/ Associateship / Fellowship of any other University or Institute.

Signature of the Guide

Signature of the Candidate

Acknowledgement

The investigator expresses her deepest sense of gratitude to Almighty for the abundant blessing without which the study could never see the light of the day.

I would like to express my reverential gratitude to **Thiru. T. S. Avinashilingam Ayya Avargal**, the founder and the First Chancellor of this renowned Avinashilingam Deemed University and **Padmashri Dr. (Tmt) Rajammal P. Devadas**, Former Chancellor, the architect of this temple of learning.

I would like to thank **Dr. P.R. Krishna Kumar**, Chancellor, Avinashilingam Institute for Home Science and Higher Education for Women, Coimbatore for the academic support and the facilities provided to carry out the research work at the institute.

I wish to express my deepest gratitude to **Dr. Premavathy Vijayan**, Vice Chancellor (i/c), Avinashilingam Institute for Home Science and Higher Education for Women, Coimbatore for her scholarly inputs and consistent encouragement throughout the study.

I would like to thank **Dr. A. Venmathi**, Registrar (i/c), Avinashilingam Institute for Home Science and Higher Education for Women, Coimbatore, for all the good wishes and support rendered towards the successful completion of the study.

I am also indebted to **Dr. Jayanthi**, Controller of Examinations, Avinashilingam Institute for Home Science and Higher Education for Women, Coimbatore for all the guidance and support rendered for my submission of thesis.

I am also grateful to **Dr.T.Geetha**, Dean (i/c) Faculty of Education, Avinashilingam Institute for Home Science and Higher Education for Women, Coimbatore for sharing her ideas, encouragement and suggestions.

I would like to express my sincere thanks to **Dr. N. Vasuki**, Head of the Department, Department of Education, Avinashilingam Institute for Home Science and Higher Education for Women, Coimbatore for the encouragement given throughout the research.

I would like to express my sincere thanks to my respected guide, **Dr. Indu H**, Associate Professor, Department of Education, Avinashilingam Institute for Home Science and Higher Education for Women, Coimbatore for her care, dynamic guidance, motivation and encouragement, meticulous corrections and timely help at each step throughout the process of research which were instrumental in the successful completion of the study.

I would like to acknowledge all the staff members of Faculty of Education and Librarian who took time to share their expertise with me and gave their constructive feedback throughout this research. I would also like to thank all the friends in the department for their help and co-operation.

I would like to especially thank **Dr. M.A. Sudhir**, Dean &Head, Dept. of Applied Research, Gandhigram Rural Institute, **Dr. R. Chandra**, Former Dean, Faculty of Education, Avinashilingam Institute for Home Science and Higher Education for Women, **Dr. Leanne Wilson**, Associate Professor, College of Health and Education, Husson University, Bangor, **Dr. Prabhu Shankar**, Asst. Prof. of Education, Institute of Advanced Study in Education, Saidapet, Chennai and **Dr. K.T. Geetha**, Professor, Department of Economics, Avinashilingam Institute for Home Science and Higher Education for Women, Coimbatore for their scholarly suggestions and guidance rendered during the preparation of tools and to carry out the research in the proper direction.

The thesis would not have come to a successful completion, without the help I received from the staff of the Computer Centre. I would like to thank **K. Selvakumar, Euro Informatics**, for his services in connection with printing and binding of my thesis.

I would like to personally thank my mother **M. Lalitha**, father **M.N. Gangadharan**, sister **G. Sujitha**, Asst. Prof., Department of Biochemistry, Nehru Arts and Science College, Coimbatore for their faithful support during all my research endeavours, and other family members and friends for their full support and help during the study. I would whole heartedly dedicate this work to the supreme god as he is the source of all knowledge and strength.

Vazhga valamudan !
