

LIST OF TABLES

TABLE NO.	PARTICULARS	PAGE NO.
1	List of Sample Companies	63
2	Description of Variables	66
3	Descriptive Statistics of Steel Industry	78
4	Descriptive statistics of Cement Industry	80
5	Descriptive statistics of Paint Industry	81
6	Descriptive statistics of Granite Industry	83
7	Descriptive statistics of Ceramic tiles Industry	84
8	Multiple Regression Analysis for Capital Structure Factors - Steel Industry	86
9	Multiple Regression Analysis for Dividend Decision Factors – Steel Industry	88
10	Multiple Regression Analysis for Capital Structure Factors - Cement Industry	89
11	Multiple Regression Analysis for Dividend Decision Factors – Cement Industry	90
12	Multiple Regression Analysis for Capital Structure Factors - Paint Industry	92
13	Multiple Regression Analysis for Dividend Decision Factors – Paint Industry	93
14	Multiple Regression Analysis for Capital Structure Factors - Granite Industry	94
15	Multiple Regression Analysis for Dividend Decision Factors – Granite Industry	96
16	Multiple Regression Analysis for Capital Structure Factors - Ceramic Tiles Industry	97
17	Multiple Regression Analysis for Dividend Decision Factors – Ceramic Tiles Industry	98

18	Correlation analysis of Steel Companies for 2007-08 to 2016-17	100
19	Correlation analysis of Cement Companies for 2007-08 to 2016-17	102
20	Correlation analysis of Paint Companies for 2007-08 to 2016-17	104
21	Correlation analysis of Granite Companies for 2007-08 to 2016-17	105
22	Correlation analysis of Ceramic Tiles Companies for 2007-08 to 2016-17	106
23	Correlation analysis of Steel Companies for 2007-08 to 2016-17	107
24	Correlation analysis of Cement Companies for 2007-08 to 2016-17	109
25	Correlation analysis of Paint Companies for 2007-08 to 2016-17	111
26	Correlation analysis of Granite Companies for 2007-08 to 2016-17	112
27	Correlation analysis of Ceramic Tiles Companies for 2007-08 to 2016-17	113
28	Steel Industry CAGR for 2007-08 to 2016-17	115
29	Trend analysis and Projections of Capital structure and Dividend decision variables of Hisar Metal Industries for 2017-18 to 2021-22	117
30	Trend analysis and Projections of Capital structure and Dividend decision variables of JSW Steel for 2017-18 to 2021-22	118
31	Trend analysis and Projections of Capital structure and Dividend decision variables of Kirloskar Ferrous Industries for 2017-18 to 2021-22	119
32	Trend analysis and Projections of Capital structure and Dividend decision variables of Rishabh Digha Steel for 2017-18 to 2021-22	120

33	Trend analysis and Projections of Capital structure and Dividend decision variables of Sardha Energy & Minerals for 2017-18 to 2021-22	121
34	Trend analysis and Projections of Capital structure and Dividend decision variables of Tata Sponge Iron for 2017-18 to 2021-22	122
35	Trend analysis and Projections of Capital structure and Dividend decision variables of Tata Steel for 2017-18 to 2021-22	123
36	Cement Industry CAGR for 2007-08 to 2016-17	125
37	Trend analysis and Projections of Capital structure and Dividend decision variables of ACC Limited for 2017-18 to 2021-22	127
38	Trend analysis and Projections of Capital structure and Dividend decision variables of Ambuja Cements for 2017-18 to 2021-22	128
39	Trend analysis and Projections of Capital structure and Dividend decision variables of Birla Corporation for 2017-18 to 2021-22	129
40	Trend analysis and Projections of Capital structure and Dividend decision variables of Deccan Cements for 2017-18 to 2021-22	130
41	Trend analysis and Projections of Capital structure and Dividend decision variables of JK Cement for 2017-18 to 2021-22	131
42	Trend analysis and Projections of Capital structure and Dividend decision variables of J.K Lakshmi Cements for 2017-18 to 2021-22	132
43	Trend analysis and Projections of Capital structure and Dividend decision variables of Kakatiya Cements for 2017-18 to 2021-22	132
44	Trend analysis and Projections of Capital structure and Dividend decision variables of KCP Limited for 2017-18 to 2021-22	133

45	Trend analysis and Projections of Capital structure and Dividend decision variables of Mangalam Cements for 2017-18 to 2021-22	136
46	Trend analysis and Projections of Capital structure and Dividend decision variables of OCL India for 2017-18 to 2021-22	137
47	Trend analysis and Projections of Capital structure and Dividend decision variables of Ramco Cements for 2017-18 to 2021-22	138
48	Trend analysis and Projections of Capital structure and Dividend decision variables of Shree Cement for 2017-18 to 2021-22	139
49	Paint Industry CAGR for 2007-08 to 2016-17	140
50	Trend analysis and Projections of Capital structure and Dividend decision variables of Akzo Nobel India for 2017-18 to 2021-22	142
51	Trend analysis and Projections of Capital structure and Dividend decision variables of Asian Paints for 2017-18 to 2021-22	143
52	Trend analysis and Projections of Capital structure and Dividend decision variables of Berger Paints for 2017-18 to 2021-22	144
53	Trend analysis and Projections of Capital structure and Dividend decision variables of Kansai Nerolac Paints for 2017-18 to 2021-22	145
54	Granite Industry CAGR for 2007-08 to 2016-17	146
55	Trend analysis and Projections of Capital structure and Dividend decision variables of Aro Granite Industries for 2017-18 to 2021-22	148
56	Trend analysis and Projections of Capital structure and Dividend decision variables of Divyashakti Granites for 2017-18 to 2021-22	149

57	Trend analysis and Projections of Capital structure and Dividend decision variables of Inani Marbles for 2017-18 to 2021-22	1450
58	Trend analysis and Projections of Capital structure and Dividend decision variables of Madhav Marbles and Granites Limited for 2017-18 to 2021-22	151
59	Ceramic Tiles industry CAGR for 2007-08 to 2016-17	152
60	Trend analysis and Projections of Capital structure and Dividend decision variables of Kajaria Ceramics for 2017-18 to 2021-22	154
61	Trend analysis and Projections of Capital structure and Dividend decision variables of Orient bell for 2017-18 to 2021-22	155
62	Trend analysis and Projections of Capital structure and Dividend decision variables of Somany Ceramics for 2017-18 to 2021-22	156
63	Multiple Regression Analysis - Hisar Metal Industries	158
64	Multiple Regression Analysis - JSW steel	159
65	Multiple Regression Analysis - Kirloskar ferrous industries	160
66	Multiple Regression Analysis - Rishabh Digha Steel	161
67	Multiple Regression Analysis - Sardha Energy and Minerals	162
68	Multiple Regression Analysis - Tata Sponge Iron	163
69	Multiple Regression Analysis - Tata Steel	164
70	Multiple Regression Analysis – ACC Cement	165
71	Multiple Regression Analysis – Ambuja Cement	166
72	Multiple Regression Analysis – Birla Corporation	167
73	Multiple Regression Analysis – Deccan Cements	168

74	Multiple Regression Analysis – JK Cement	169
75	Multiple Regression Analysis – JK Lakshmi Cements	170
76	Multiple Regression Analysis – Kakatiya Cements	171
77	Multiple Regression Analysis – KCP cement	172
78	Multiple Regression Analysis – Mangalam Cements	173
79	Multiple Regression Analysis – OCL India	174
80	Multiple Regression Analysis – Ramco Cements	175
81	Multiple Regression Analysis – Shree Cement	176
82	Multiple Regression Analysis – Akzo Nobel India	177
83	Multiple Regression Analysis – Asian Paints	178
84	Multiple Regression Analysis - Berger Paints	179
85	Multiple Regression Analysis – Kansai Nerolac Paints	180
86	Multiple Regression Analysis – Aro Granites	181
87	Multiple Regression Analysis – Divyashakti Granites	182
88	Multiple Regression Analysis – Inani Marbles	183
89	Multiple Regression Analysis – Madhav Marbles and Granites	184
90	Multiple Regression Analysis – Kajaria Ceramics	185
91	Multiple Regression Analysis – Orient bell	186
92	Multiple Regression Analysis - Somany Ceramics	187

LIST OF EXHIBITS

EXHIBIT NO.	PARTICULARS	PAGE NO.
1	India GDP from Construction for July 2014 – January 2017 (₹. Billion)	9
2	India's crude steel market share by production for 2016-17	10
3	India's finished steel market share by production for 2016-17	10
4	Production of cement for the FY 2007-2016 (million tonnes)	13
5	Top ten World Paint Manufacturers 2017 sales value (Billion \$)	18
6	Theoretical Framework of the Study	67
7	Steel Industry CAGR	116
8	Cement Industry CAGR	126
9	Paint Industry CAGR	141
10	Granite Industry CAGR	147
11	Ceramic Tiles Industry CAGR	153
