grandest intention*

## **ACKNOWLEDGEMENT**

It has been said that gratitude is the memory of heart; I would like to take the opportunity to express it. It is my bound duty to reveal my soulful gratitude to God the almighty, who had never left me alone during the times of trials and finish this work as a great success.

My whole hearted thanks and my profound respects are to our Chancellor Mr.T.K.Shanmuganandam, B.A., B.L., Avinashilingam University for Women.

I devote my sincere and special Profound thanks to Vice Chancellor Col. Dr.(Mrs.)Saroja Prabhakaran, M.A., Dip.Ed., (Madras), Ph.D. (Mother Teresa), Avinashilingam University for Women for granting me the opportunity to carry out my thesis.

I express my sincere thanks to Dr.R.Gowri Ramakrishnan, M.Sc. (Madras), M.Phil, (Bharathiar University), Ph.D., (Avinashilingam University for Women).

I also express my thanks to Dr. (Mrs.) R. Parvatham M.Sc., Dip. Ed., M. Phil. (Madras), Ph.D. (Avinashilingam University for Women), Dean, Faculty of science for her sincere and kindly help for my thesis.

I would like to express my respect and thanks to Dr. (Mrs.) R. Shyamala, M.Sc., Dip. Ed. (Madras), M. Phil. (Bharathiar), Ph.D. (Avinashilingam University for Women), Professor and H.O.D of Chemistry department for her overwhelming support. Words are boundless to express my heartfelt thanks to her.

I really take it as a special privilege to carry out prodigious and everlasting thanks to my guide Dr. (Mrs.) R. Rajalakshmi M.Sc., B. Ed.(Madurai Kamaraj), M. Phil. (Bharathiar), Ph.D. (Avinashilingam University for Women) for her vivacious guidance, meticulous care, valued suggestions, unflinching encouragement and personal interest in this thesis. She has always been a source of inspiration to me and this has provided a new dimension to this thesis, without her continuous encouragement and involvement this thesis would not have been a reality.

I am extremely indebted to Dr. (Mrs.) S. Subhashini M.Sc., M.H. Ed. (Annamalai), M. Phil. (Bharathiar), Ph.D. (Avinashilingam) for her timely valuable

help, intelligent guidance and motivation she gave me through the thesis period and for devoting her precious time in making this thesis a success.

Words are insufficient to express to my gratitude of thanks to all the staff members of Department of Chemistry for their vivacious guidance throughout to complete this thesis successfully.

I heartily express my gratitude to my beloved parents and my sister for their boundless affection, moral support, deep concern and prayers without which I would not have been what I am today.

My sense of amity extends towards all my friends for their co- operation and much needed help during the entire course of study.

Finally I convey my hearty thanks to all those who helped me directly and indirectly to carry out this thesis successfully.
