

LIST OF TABLES

Table No.	Title	Page No.
1	Demographic Details of the College Students from Single Parent Family	117
2	Level of Psychological Well-Being of the College Students from Single Parent Family Before, After and Follow-up of Positive Psychology Interventions	118
3	Level of Grit of the College Students from Single Parent Family Before, After and Follow-up of Positive Psychology Interventions	125
4	Level of Resilience of the College Students from Single Parent Family Before, After and Follow-up of Positive Psychology Interventions	127
5	Level of Mindfulness of the College Students from Single Parent Family Before, After and Follow-up of Positive Psychology Interventions	129
6	Descriptive Statistics across Autonomy of the College Students from Single Parent Family Before, After and Follow-up of Positive Psychology Interventions	130
7	Repeated Measures of ANOVA for the Autonomy of the College Students from Single Parent Family Before, After and Follow-up of Positive Psychology Interventions	131
8	Post hoc Comparisons for the Positive Psychology Interventions in Autonomy of the College Students from Single Parent Family	132
9	Descriptive Statistics across Environmental Mastery of the College Students from Single Parent Family Before, After and Follow-up of Positive Psychology Interventions	133
10	Repeated Measures of ANOVA for the Environmental Mastery of the College Students from Single Parent Family Before, After and Follow-up of Positive Psychology Interventions	134
11	Post hoc Comparisons for the Positive Psychology Interventions in Environmental Mastery of the College Students from Single Parent Family	135

12	Descriptive Statistics across Personal Growth of the College Students from Single Parent Family Before, After and Follow-up of Positive Psychology Interventions	136
13	Repeated Measures of ANOVA for the Personal Growth of the College Students from Single Parent Family Before, After and Follow-up of Positive Psychology Interventions	136
14	Post hoc Comparisons for the Positive Psychology Interventions in Personal Growth of the College Students from Single Parent Family	138
15	Descriptive Statistics across Positive Relations of the College Students from Single Parent Family Before, After and Follow-up of Positive Psychology Interventions	138
16	Repeated Measures of ANOVA for the Positive Relations of the College Students from Single Parent Family Before, After and Follow-up of Positive Psychology Interventions	139
17	Post hoc Comparisons for the Positive Psychology Interventions in Positive Relations of the College Students from Single Parent Family	140
18	Descriptive Statistics across Purpose in Life of the College Students from Single Parent Family Before, After and Follow-up of Positive Psychology Interventions	141
19	Repeated Measures of ANOVA for the Purpose in Life of the College Students from Single Parent Family Before, After and Follow-up of Positive Psychology Interventions	142
20	Post hoc Comparisons for the Positive Psychology Interventions in Purpose in Life of the College Students from Single Parent Family	143
21	Descriptive Statistics across Self - Acceptance of the College Students from Single Parent Family Before, After and Follow-up of Positive Psychology Interventions	144
22	Repeated Measures of ANOVA for the Self - Acceptance of the College Students from Single Parent Family Before, After and Follow-up of Positive Psychology Interventions	145
23	Post hoc Comparisons for the Positive Psychology Interventions in Self - Acceptance of the College Students from Single Parent Family	146

24	Descriptive Statistics across Grit of the College Students from Single Parent Family Before, After and Follow-up of Positive Psychology Interventions	147
25	Repeated Measures of ANOVA for the Grit of the College Students from Single Parent Family Before, After and Follow-up of Positive Psychology Interventions	148
26	Post hoc Comparisons for the Positive Psychology Interventions in Grit of the College Students from Single Parent Family	150
27	Descriptive Statistics across Resilience of the College Students from Single Parent Family Before, After and Follow-up of Positive Psychology Interventions	151
28	Repeated Measures of ANOVA for the Resilience of the College Students from Single Parent Family Before, After and Follow-up of Positive Psychology Interventions	151
29	Post hoc Comparisons for the Positive Psychology Interventions in Resilience of the College Students from Single Parent Family	152
30	Descriptive Statistics across Mindfulness of the College Students from Single Parent Family Before, After and Follow-up of Positive Psychology Interventions	153
31	Repeated Measures of ANOVA for the Mindfulness of the College Students from Single Parent Family Before, After and Follow-up of Positive Psychology Interventions	154
32	Post hoc Comparisons for the Positive Psychology Interventions in Mindfulness of the College Students from Single Parent Family	155
33	Descriptive Statistics across Wellbeing Variables of the College Students from Single Parent Family Before, After and Follow-up of Positive Psychology Interventions	156
34	Repeated Measures of MANOVA for the Overall Psychological Wellbeing of the College Students from Single Parent Family Before, After and Follow-up of Positive Psychology Interventions	158
35	Tests of Between Subjects Effects on Wellbeing Variables of the College Students from Single Parent Family Before, After and Follow-up of Positive Psychology Interventions	159

LIST OF FIGURES

Figure No.	Title	Page No.
1	Showing the Percentage Analysis of Autonomy of the College Students from Single Parent Family Before, After and Follow-up of Positive Psychology Interventions	120
2	Showing the Percentage Analysis of Environmental Mastery of the College Students from Single Parent Family Before, After and Follow-up of Positive Psychology Interventions	121
3	Showing the Percentage Analysis of Personal Growth of the College Students from Single Parent Family Before, After and Follow-up of Positive Psychology Interventions	122
4	Showing the Percentage Analysis of Positive Relations of the College Students from Single Parent Family Before, After and Follow-up of Positive Psychology Interventions	123
5	Showing the Percentage Analysis of Purpose in Life of the College Students from Single Parent Family Before, After and Follow-up of Positive Psychology Interventions	124
6	Showing the Percentage Analysis of Self-Acceptance of the College Students from Single Parent Family Before, After and Follow-up of Positive Psychology Interventions	125
7	Showing the Percentage Analysis of Grit of the College Students from Single Parent Family Before, After and Follow-up of Positive Psychology Interventions	126
8	Showing the Percentage Analysis of Resilience of the College Students from Single Parent Family Before, After and Follow-up of Positive Psychology Interventions	128
9	Showing the Percentage Analysis of Mindfulness of the College Students from Single Parent Family Before, After and Follow-up of Positive Psychology Interventions	130
10	Depicting Plot representation of Autonomy of the College Students from Single Parent Family Before, After and Follow-up of	132

	Positive Psychology Interventions	
11	Depicting Plot representation of Environmental Mastery of the College Students from Single Parent Family Before, After and Follow-up of Positive Psychology Interventions	134
12	Depicting Plot representation of Personal Growth of the College Students from Single Parent Family Before, After and Follow-up of Positive Psychology Interventions	137
13	Depicting Plot representation of Positive Relations of the College Students from Single Parent Family Before, After and Follow-up of Positive Psychology Interventions	140
14	Depicting Plot representation of Purpose in Life of the College Students from Single Parent Family Before, After and Follow-up of Positive Psychology Interventions	143
15	Depicting Plot representation of Self - Acceptance of the College Students from Single Parent Family Before, After and Follow-up of Positive Psychology Interventions	146
16	Depicting Plot representation of Grit of the College Students from Single Parent Family Before, After and Follow-up of Positive Psychology Interventions	149
17	Depicting Plot representation of Resilience of the College Students from Single Parent Family Before, After and Follow-up of Positive Psychology Interventions	152
18	Depicting Plot representation of Mindfulness of the College Students from Single Parent Family Before, After and Follow-up of Positive Psychology Interventions	155

LIST OF ANNEXURES

Annexures	Title
I	Personal Information Sheet
II	Psychological Well-being Scale
III	12 – Item Grit Scale
IV	Brief Resilience Scale
V	Mindfulness Attention Awareness Scale
VI	Positive Psychology Interventions Outline
VII	Institutional Human Ethics Committee Approval
