Shyamala Vijayavathi**, Former Head of the Department, Zoology, Avinashilingam Institute for Home Science and Higher Education for Women, Coimbatore for the support given for the successful completion of the work.

My sincere gratitude and thanks to **Mrs. E. Shanthi**, Associate Professor and Head, Department of Zoology, Avinashilingam Institute for Home Science and Higher Education for Women, Coimbatore for sparing her valuable time whenever I approached her and showing me the way ahead and her academic support for the successful completion of the work.

In my journey towards this degree, I have found a teacher, an inspiration and a pillar of support in my guide, **Dr. (Mrs.) N. Krishnaveni**, Professor, Department of Zoology, Avinashilingam Institute for Home Science and Higher Education for Women, Coimbatore. I would like to thank her for meticulous care, ceaseless guidance, trusting my potential in all endeavors and most importantly for the freedom that she granted to me during my work.

With a deep sense of gratitude, I express my heartfelt thanks to **Dr. S. Renganathan**, Professor, Department of Biotechnology, Alagappa College of Technology, Anna University, Chennai, for being the Doctoral committee expert and providing valuable suggestions. And also for being a constant source of inspiration and support in research collaboration and publications during the entire period of my study.

I offer a token of gratitude to **Dr. K. Manimegalai**, Professor and **Dr.(Mrs) K.S. Santhy**, Professor, Department of Zoology, Avianshilingam Institute for Home Science and Higher Education for Women, Coimbatore for their encouraging words during the period of my work and I also extend my sincere thanks to **Dr. (Mrs.)M. Poonkothai**, Assistant Professor (SG), Department of Zoology, Avianshilingam Institute for Home Science and Higher Education for Women, Coimbatore for her patience and clarified my doubts at any time in her busy schedule during the entire period of my study.

I would like to make a special mention and thank to the **Industry people (SIPCOT, Perundhurai, Erode DT)** who had the kindness and permit me to carry out the industrial testing smoothly.

I also extend my thanks to **Dr.(Mrs). G. Maheshwari**, Assistant Professor (SS) and **Dr.(Mrs)C.A. Annapoorani**, Assistant Professor (temporary), Department of Zoology, Avianshilingam Institute for Home Science and Higher Education for Women, Coimbatore for her encouraging words during the period of my study. I would particularly like to thank my senior and well-wisher, **Dr.(Mrs) P. Karthika**, Assistant

Professor (temporary), Department of Zoology, Avianshilingam Institute for Home Science and Higher Education for Women, Coimbatore for her valuable suggestions and support during the period of my study.

My colleagues at the laboratory ensured that I was constantly engaged and entertained along the way. My thanks are also to my colleagues **Mrs. Mariselvi, Mrs. Karpagam, Ms. Archana Das, Ms. Alagupradhana, Ms. Gowri, Ms. Ayisha Chithiga, Ms. Sahana, Ms. Mathiyanga, Ms. Sherin Annie Wilson, Ms. Indhumathi and Ms. Bharathi** for their help and support.

I wish to extend my thanks to **Dr. (Mr.) T. Vaithyanathan**, Assistant Professor, Vivekanandha College of Arts & Science, Tiruchengode for his help in the phytotoxicity part of the study. My special thanks to **Ms. Thazeem, Ph. D** Research Scholar, Bharathiar University, Coimbatore for her help in the microbial toxicity part of the study. My sincere thanks to **Dr. (Mr) G. Immanuel**, Associate Professor, Centre for Marine Science and Technology, M.S. University, Rajakamangalam, Kanniyakumari, for their help in the algal sample collection. I would like particularly to acknowledge **Mrs. Jeba Sweetly** for clarified my doubts during the study and **Ms. Sri Sakthi Priyardarshini** for her informal support and encouragement. I would like to express my sincere thanks to all my friends for their love, concern and timely help during the course of my study.

I am grateful to **Mrs. Vijayalakshmi and Mrs. Lydia Shanthi**, Laboratory Assistants, Department of Zoology, Avianshilingam Institute for Home Science and Higher Education for Women, Coimbatore for the help rendered when required.

My acknowledgement would be incomplete without thanking the biggest source of my strength, MY FAMILY. Words are insufficient to owe my gratitude and thanks to my Parents, **Mr. G. Dhanapal and Mrs. S.Parvathy**, whose dreams for me have resulted in this achievement and without their loving upbringing and nurturing; I would not have been where and what I am today. It is true that if God ever existed, he would be in the form of PARENTS, because they only can love and give without expecting anything in return. I also thank my lovable **SIBLINGS, D. Vigneshvidhya, D. Vigneshnithya and D. Vigneshkannan**. This achievement would not have been possible without their unwavering and unselfish love, care and support given me at all times.

This thesis gains its exact meaning only if I express my gratitude and thanks to my beloved husband, **Mr. B. Mario Thomas**, Sales Manager, Worldgate Intl. Line. Pvt. Ltd, Coimbatore, who made this arduous journey with a strong conclusion for me to complete my doctoral studies. His love and helpful spirit have motivated me to achieve beyond my own expectations. I would also like to thank my father in-law **Mr. V. Baskar** and mother in-law **Mrs. B. Geraldine Mary** for their encouragement, motivation and valuable prayers that made me the completion of thesis possible.
