LIST OF TABLES

TABLE NO.	TITLE	PAGE NO.
1	Population of the World and Regions	3
2	Projection of Water Demand in India	6
3	Details of Decadal Wise Urban Population in India	7
4	Details of Census Classifications of Towns and Cities	8
5	Demand and Supply of Water Resources in India	10
6	Norms Fixed by the CPHEEO Manual	12
7	Urban Water Sources: National Sample Survey Office	13
8	Details for a Relative Comparison of Urban Population among States in India	14
9	Details of Urbanization Trends in Tamil Nadu	15
10	Details for a Relative Comparison of Urban Population among States in India	16
11	Details of Urbanization Trends in Tamil Nadu	17
12	Details of Urbanization Trends in Tamil Nadu	18
13	Plan Wise Investment in Water Supply and Sanitation	19
14	Details of Top Most Large Cities in Tamil Nadu	55
15	Details of Educational and Other Infrastructural Facilities of Latest Available Year	60
16	Details of Weather Data 2019-2020 in Coimbatore District	61
17	Details of Present Water Supply in Coimbatore Corporation	66
18	Details of Water Supply Zones	67
19	Existing Water Supply Scenario	67
20	Existing Tariff and Cost Recovery	68

21	Details of Water Supply Reservoirs in Coimbatore City (2019-2020)	69
22	Ward Wise Details of Water Distribution of Reservoirs	69
23	Details of Selection of Ward in Each Zone	73
24	Zone Wise Distribution of the Selected Sample Households	74
25	Income Wise Household Group Classification	75
26	Details of Quantitative Tools used in the Study	78
27	General Characteristics of the Selected Urban Households	88
28	Details of Consumption Expenditure for the Selected Households	93
29	Type of House in Selected Urban Households	95
30	Details of Housing Facilities in Selected Urban Household	98
31	Details of Water using Utilities in Selected Households	101
32	Sources of Water Supply for Selected Households	103
33	Details of Respondent's Household Service Connection in Selected Households	105
34	Details of Additional Water Supply through Own Bore Well in Selected Households	108
35	Details of Water Supply through Stand Post in Selected Households	110
36	Details of the Respondents who Consume Water from Markets in Selected Households	112
37	Details of Water Fetching from the Pipeline Water in Selected Area	114
38	Details of Household Overhead Tanks in Selected Households	115
39	Details of Association Between LPCD And Water usage in Selected Sample Respondents	119

40	Multiple Regression	121
41	Season and Activity Wise Consumption of Water by Households (Liters)	123
42	Details of Preference of Water in Daily Usage	125
43	ANOVA Table (Between Variables) for Average Water Consumption by Different Income Groups in Selected Households	127
44	Details about Quality of Urban Water Supply in Selected Households	129
45	Details of Measures Adopted to Purify the Drinking Water in Selected Households	131
46	Factors Influencing the Respondents to Go for Secondary Water Source	135
47	Multiple Regression for Treatment Cost of Waterborne Disease Faced by the Selected Urban Households	137
48	Probit Analysis for Willingness to Pay for Improved Water Supply among the Selected Households	140
49	Factor Influencing for Water-Saving Behavior for High-Income Respondents	146
50	Factor Loadings for Water-Saving Behavior for High-Income Respondents	147
51	Factor Influencing for Water-Saving Behavior for Middle-Income Respondents	149
52	Factor Loadings for Water-Saving Behavior for Middle-Income Respondents	150
53	Factor Influencing for Water-Saving Behavior for Low-Income Respondents	152
54	Factor Loadings for Water-Saving Behavior for Low-Income Respondents	153

LIST OF FIGURES

FIGURE NO.	TITLE	PAGE NO.
1	Impact of Population Growth on Water Resources	9
2	Water Supply Coverage of the Population	11
3	Global Prediction of Water Resources	53
4	Selection of the Study Area	56
5	Coimbatore Corporation Map	59
6	Season Wise Rainfall Data in Coimbatore District (2019-20)	62
7	Research Design	72
8	Income of the Selected Respondents	75
9	Average Consumption of Water	127
10	Problems Faced by Respondents with their Urban Water Supply	133
11	Willingness to pay for Improved Water Supply among the Selected Households	139
12	Opinion of the Selected Households about Water Conservation	143
13	Flowchart for the Planned Behaviour Model	145

LIST OF ANNEXURE

ANNEXURE NO.	TITLE	PAGE NO.
1	Rao Sample Size Calculator	183
2	Questionnaire	184
3	Ethical Committee Report	193
4	Field Visit-photos	194
5	Plagiarism Report	195
