## EXPERTS' OPINION ON RATIOS

Respected Expert,

I am Mrs. A.R.Rihana Banu pursuing Ph.D in Commerce on the thesis entitled "A MULTIPLE CRITERIA DECISION MAKING APPROACH TO EVALUATE THE FINANCIAL PERFORMANCE OF SCHEDULED COMMERCIAL BANKS IN INDIA" at Avinashilingam Institute for Home Science and Higher Education for Women, Coimbatore. As I am applying TOPSIS (Technique for order preference by similarity to ideal solution) method for the research, you are requested to weight the below listed ratios from 1 to 10, the most important ratios could be weighed 10, the next important ratios as 9 and so on.

Name:

Designation:

Institution/ Organization:

Specialization:

S_No	Ratios	Weights
1	Capital Adequacy Ratio	
2	Debt-Equity Ratio	
3	CASA ratio	
4	Ratio of Advances to assets	
5	Investments in Government-securities to assets	
6	Investments in Government-securities to investments	
7	Return on investments	
8	Return on Advances	
9	Net NPA to Advances	
10	Priority sector advances to advances	
11	Interest income to total assets	
12	Total advances to total deposits	
13	Business per employee	
14	Profit per employee	
15	Intermediation cost to total assets	
16	Burden to total assets	
17	Net interest margin	
18	Return on assets	
19	Return on equity	
20	Non-interest income to total assets	
21	Operating profits to total assets	
22	Cash-deposit ratio	
23	Term deposits to total deposits	
24	Liquid assets to total assets	
25	Liquid assets to demand deposits	
26	Liquid assets to total deposits	

Thank you for your support.
