

LIST OF TABLES

TABLE NO.	TITLE	PAGE NO.
1	Course content used for inculcation of human values	70
2	Methods and Aids used for Inculcation of human values	71
3	Standard, age, and sex-wise distribution of the selected elementary school children	90
4	Type, size, and monthly income of the families of selected elementary school children	92
5	Educational status of parents of the selected elementary school children	95
6	Occupational status of parents of the selected elementary school children	98
7	Basic amenities available in the house of the selected elementary school children	101
8	Personal values imbibed by selected elementary school children studying in I and II standard	104
9	Personal values imbibed by selected elementary school children studying in III and IV standard	105
10	Personal values imbibed by selected elementary school children studying in V and VI standard	107
11	Personal values imbibed by selected elementary school children studying in VII and VIII standard	108
12	Mean differential analysis of personal values imbibed by selected elementary school children studying in I to VIII standard	110

TABLE NO.	TITLE	PAGE NO.
13	Social values imbibed by selected elementary school children studying in I and II standard	113
14	Social values imbibed by selected elementary school children studying in III and IV standard	115
15	Social values imbibed by selected elementary school children studying in V and VI standard	116
16	Social values imbibed by selected elementary school children studying in VII and VIII standard	118
17	Mean differential analysis of Social values imbibed by selected elementary school children studying in I to VIII standard	120
18	Emotional values imbibed by selected elementary school children studying in I and II standard	123
19	Emotional values imbibed by selected elementary school children studying in III and IV standard	125
20	Emotional values imbibed by selected elementary school children studying in V and VI standard	127
21	Emotional values imbibed by selected elementary school children studying in VII and VIII standard	128
22	Mean differential analysis of emotional values imbibed by selected elementary school children studying in I to VIII standard	130
23	Spiritual values imbibed by selected elementary school children studying in I and II standard	133
24	Spiritual values imbibed by selected elementary school children studying in III and IV standard	134
25	Spiritual values imbibed by selected elementary school children studying in V and VI standard	136

TABLE NO.	TITLE	PAGE NO.
26	Spiritual values imbibed by selected elementary school children studying in VII and VIII standard	137
27	Mean differential analysis of spiritual values imbibed by the selected elementary school children studying in I to VIII standard	139
28	Moral values imbibed by selected elementary school children studying in I and II standards	142
29	Moral values imbibed by selected elementary school children studying in III and IV standards	144
30	Moral values imbibed by selected elementary school children studying in V and VI standards	145
31	Moral values imbibed by selected elementary school children studying in VII and VIII standards	147
32	Mean differential analysis of moral values imbibed by selected elementary school children studying in I to VIII standard	149
33	Statistical analysis of personal values among selected elementary school children before and after educational programme	153
34	Statistical analysis of social values among selected elementary school children before and after educational programme	156
35	Statistical analysis of emotional values among selected elementary school children before and after educational programme	159
36	Statistical analysis of spiritual values among selected elementary school children before and after educational programme	162
37	Statistical analysis of moral values among selected elementary school children before and after educational programme	165
38	Knowledge gained by selected elementary school children before and after the educational programme	168

TABLE NO.	TITLE	PAGE NO.
39	Attitudes developed by selected elementary school children before and after the educational programme	172
40	Opinion of parents regarding human values imbibed by selected elementary school children	177
41	Opinion of teachers regarding human values imbibed by their children	179
42	Suggestions of parents and teachers regarding imparting human values educational programme among the children	181

LIST OF FIGURES

FIGURE NO.	TITLE	PAGE NO.
1	Schematic representation of the research design	61
2	Geographical location of the selected school	62
3	Standard, age, and sex-wise distribution of the selected elementary school children	91
4	Type, size, and monthly income of the families of selected elementary school children	94
5	Educational status of parents of the selected elementary school children	97
6	Occupational status of parents of the selected elementary school children	100
7	Basic amenities available in the house of the selected elementary school children	102
8	Knowledge gained by selected private school children before and after the educational programme	170
9	Knowledge gained by selected government school children before and after the educational programme	171
10	Attitudes developed by selected government school children before and after the educational programme	174
11	Attitudes developed by selected private school children before and after the educational programme	175
12	Suggestions of parents and teachers regarding imparting human values educational programme	182

LIST OF PLATES

PLATE NO.	TITLE	PAGE NO.
1	Charts	78
2	Posters	79
3	Booklets	80
4	Pamphlets	81
5	Leaflets	82
6	Puppets and Flannel Graph	83
7	Monograph	84
8	Inculcation of Personal Values	112
9	Inculcation of Social Value	122
10	Inculcation of Emotional Value	132
11	Inculcation of Spiritual Value	141
12	Inculcation of Moral Value	151
13	Interaction with Parents	178
14	Interaction with Teachers	180

LIST OF APPENDICES

APPENDIX NO.	TITLE
I	Questionnaire for School Children
II	Opinion of Parents Regarding Human Values Imbibed by Selected Elementary School Children
III	Opinions of Teachers Regarding Human Values Imbibed by their Children
IV	Knowledge Inventory to Test the Knowledge on Human Values by Elementary School Children Before and After Training Programme
V	Attitude Inventory to Test the Attitude of Human Values by Elementary School Children Before and After the Training Programme
VI	Booklets and Posters
VII	Ethical Committee Clearance Certificate
VIII	Articles Published and Papers Presented
IX	Plagiarism Report
