## Avinashilingam Institute for Home Science and Higher Education for Women

(Deemed to be University under Category 'A' by MHRD, Estd. u/s 3 of UGC Act 1956)

Re-accredited with 'A+' Grade by NAAC. Recognised by UGC Under Section 12B

Coimbatore - 641 043, Tamil Nadu, India

### Bachelor's Degree Examination – June / July 2021

#### II Semester

Class : I UG  
Major : Psychology

Time : 3 Hours  
Max. Marks : 100

#### 18BPSC03 Cognitive Processes

##### Part A

10 x 1 = 10

##### Choose the Correct Answer

1. Guarantee solution to the problem is formed as CO1 K1
  - a. Representativeness
  - b. Heuristics
  - c. Algorithms
  - d. Analogy
2. Stimulus and responses is mediated by the process called CO1 K1
  - a. conditioning
  - b. thinking
  - c. creativity
  - d. language
3. In classical conditioning, the process of presenting conditioned stimulus alone without the unconditioned stimulus for a number of trials is called CO2 K1
  - a. generalization
  - b. discrimination
  - c. spontaneous recovery
  - d. extinction
4. Escape learning is an example of instrumental conditioning, based on CO2 K1
  - a. negative reinforcement
  - b. negative punishment
  - c. positive punishment
  - d. negative punishment
5. According to levels-of-processing theory of memory, the most superficial depth is CO3 K1
  - a. perception
  - b. structural level
  - c. meaning level
  - d. elaborated level
6. Reconstructive processes occur at the time of \_\_\_\_\_ and can distort what is remembered CO3 K1
  - a. memory
  - b. retaining
  - c. retrieval
  - d. forgetting
7. Similar results is shown with different testers, across different scorers, different forms of test, and on repeated testing of the same person is known as CO4 K1
  - a. validity
  - b. reliability
  - c. standard
  - d. invalid
8. The tests tap skills and information already acquired is CO4 K1
  - a. ability
  - b. intelligence
  - c. achievement
  - d. aptitude
9. Collections of individuals said to share some common characteristics is termed as CO5 K1
  - a. trait
  - b. dynamics
  - c. behaviour
  - d. type
10. The highest level of ego defense is CO5 K1
  - a. displacement
  - b. regression
  - c. sublimation
  - d. projection

**Part B**  
**Answer ALL questions**  
**Each answer should not exceed 400 words or two pages**

**5 x 6 = 30**

- |  |        |
|--|--------|
| 11.a. Give a detailed account on concepts.<br>(or)             | CO1 K1 |
| 11.b. Enumerate on the stages of creativity.                   | CO1 K1 |
| 12.a. Explain about the skinner's experiments.<br>(or)         | CO2 K2 |
| 12.b. Write short notes on Bandura's Social Learning Theory.   | CO2 K2 |
| 13.a. Briefly mention about the biological amnesia.<br>(or)    | CO3 K2 |
| 13.b. Explain about long term memory.                          | CO3 K2 |
| 14.a. Enumerate on the types of tests.<br>(or)                 | CO4 K3 |
| 14.b. Describe Multifactor theories of intelligence.           | CO4 K2 |
| 15.a. Discuss about the Type theories of Intelligence.<br>(or) | CO5 K4 |
| 15.b. Explain about Traif Theories of Intelligence.            | CO5 K2 |

**Part C**  
**Answer ALL questions**  
**Each answer should not exceed 800 words or four pages**

**5 x 12 = 60**

- |   |        |
|---|--------|
| 16.a. Elucidate on Decision Making.<br>(or)                         | CO1 K2 |
| 16.b. Explain about the thinking process.                           | CO1 K2 |
| 17.a. Give a detailed note on classical conditioning.<br>(or)       | CO2 K2 |
| 17.b. Elaborate on cognitive learning.                              | CO2 K2 |
| 18.a. Enumerate on theories of memory.<br>(or)                      | CO3 K3 |
| 18.b. Explain the Techniques for improving the memory.              | CO3 K2 |
| 19.a. Give a detailed note on psychological tests.<br>(or)          | CO4 K2 |
| 19.b. Summarize the assessments used for assessing the personality. | CO4 K2 |
| 20.a. Discuss about dynamic Personality Theories.<br>(or)           | CO5 K2 |
| 20.b. Elaborate on Freud's Psychoanalytic Theory.                   | CO5 K2 |
