## ACKNOWLEDGEMENT

First and foremost, I honour God Almighty for being my source of strength and refuge. I praise him for his eternal love, and offer my sincere gratitude for the infinite grace, benevolence, immense blessings and mercy showered on me throughout the study as well as for providing enough strength and courage to help me overcome the challenges, paving the way for the study's successful completion.

I express my deep thanks to Padma Bhushan **Sri Dr. T.S. Avinashilingam Ayya Avargal**, the founding President and the first Chancellor of Avinashilingam Institute for Home Science and Higher Education for Women, for creating this Temple of Learning and bestowing his blessings.

The first Vice Chancellor of the Institute, Padma Shri **Dr.Rajammal P. Devadas**, M.Sc., M.A., PhD., and Former Chancellor, a famous home scientist and nutritionist who promoted the welfare of women and children, is acknowledged by me with deep thanks.

I would like to place my deep sense of gratitude and sincere thanks to **Dr.T.S.K.Meenakshisundaram**, M.A., M.Phil., PhD., Chancellor and Managing Trustee, Avinashilingam Institute for Home Science and Higher Education for Women, Coimbatore, for having provided the infrastructure and all amenities to carry out the study.

I express my appreciation to Late. Padmashri **Dr.P.R.Krishnakumar**, and **Prof.S.P.Thyagarajan**, D.Sc., PhD., and M.D., Former Chancellors of the Avinashilingam Institute for Home Science and Higher Education for Women, Coimbatore, for being dynamic administrators, and inspiring academicians.

I am enormously pleased to express my profound sense of gratitude to the Former Vice Chancellor of the Avinashilingam Institute for Home Science and Higher Education for Women, **Dr.Premavathy Vijayan**, M.Sc., M.Ed., M.Phil., PhD. who was endearing, knowledgeable, and committed, and I thank her for allowing me to use the university's resources to conduct the research successfully.

I would like to express a profound sense of gratitude and sincere thanks to **Dr.V.Bharathi Harishankar**, M.A., M.Phil., PhD., FRSA., Vice Chancellor, Avinashilingam Institute for Home Science and Higher Education for Women, Coimbatore, for providing infrastructural facilities and support for the conduct of the study.

I am extremely obliged to **Dr. (Mrs.) S. Kowsalya**, Registrar, Avinashilingam Institute for Home Science and Higher Education for Women, Coimbatore, for extending all possible administrative support and encouragement towards the completion of the study.

I express my gratitude to **Dr.K.Manimozhi**, M.Sc., B.Ed., M.Phil., PhD., Controller of Examinations, Avinashilingam Institute for Home Science and Higher Education for Women, Coimbatore for extending all possible help towards the submission of the research work.

My sincere gratitude to **Dr.G.P.Jeyanthi**, M.Sc., M.Phil., PhD., Former Research and Consultancy and **Dr.P.Lalitha**, M.Sc., M.Phil., PhD., Dean, Research & Consultancy, Avinashilingam Institute for Home Science and Higher Education for Women, Coimbatore, for their help and valuable suggestions during the tenure of my research work.

I record my immense thanks to **Dr.N.Vasugi** M.Sc., M.Phil., PhD., Former Dean, School of Home Science, and **Dr.S.Amsamani**, M.Sc., M.Phil., PhD., Dean, School of Home Science, Avinashilingam Institute for Home Science and Higher Education for Women, Coimbatore, for their continued interest and constant support in the conduct of thesis work.

I wish to express my profound note of thanks to the Former Head and Supervisor **Dr. K. Arockia Maraichelvi**, M.Sc., M. Phil., PhD., Associate Professor, Department of Human Development, Avinashilingam Institute for Home Science and Higher Education for Women, Coimbatore, for being an extraordinary tutor, educator, and guide who have helped me and guided me immensely in all directions. I am pleased to work under her remarkable diligent assistance. The advice and insightful recommendations she gave for the dissertation dignified conclusion. Working under her supervision was an incredible possibility to develop expertly in my work area. I genuinely appreciate her hard work and super diligence in spite of her busy schedule; she gave her enormous time in whichever possible ways she could. I will always be conveying my profound gratitude for her concern and support during our incredible journey, despite the various advantages and drawbacks.

I would like to express a humble note of thanks to **Dr.M.Priya**, M.Sc., M.Phil., PhD., Assistant Professor (SS) and Head in-charge of the Department of Human Development, Avinashilingam Institute for Home Science and Higher Education for Women, Coimbatore, for her continued guidance and support throughout the study period.

With high gratification, I would like to convey my sincere gratitude to **Dr. Komala M. M.Sc., Ph.D.**, Professor of Human Development, Department of Food Science and Nutrition, University of Mysore, the Doctoral Committee expert for her valuable advice and suggestions towards this research work.

Profoundly I wish to express my gratitude to all the **Faculty members** in the Department of Human Development, Avinashilingam Institute for Home Science and Higher Education for Women, Coimbatore, for their constant support and encouragement towards my research.

I extend my wholehearted thanks to the Principals of the Schools for their permission and complete cooperation in allowing me to collect the data from the students. A special thanks to the school that allowed me to conduct the intervention and facilitated the smooth running of the programme. I would also like to owe a special gratitude to the counsellor who was present during the entire period of the intervention.

I would like to thank **UGC (University Grants Commission)** for selecting me for the scheme of National Fellowship (NF) for Other Backward Classes (OBC) as entrusted and funded by the Ministry of Social Justice.

Above all, I am obligated to give special thanks and gratitude to my **parents and husband**, who encouraged me to follow my dream, and without their motivation and constant support the journey would not be that easy. I realize that words cannot express the extent of hardships and sacrifices made by them.

I would like to record my deepest appreciation to my lovable **friends** for their spontaneous encouragement and long-lasting moral support in all my endeavours.

I owe my gratitude to all my **well-wishers** for their constant encouragement, support, and prayer in the successful completion of this entire journey. I would also like to appreciate all those who participated in the study and helped to facilitate the research process.

## LIST OF TABLES

TABLE NO.	TITLE	PAGE NO
I	Anxiety disorders among adolescents–Source of threat and symptoms	22-23
II	Aetiology of anxiety disorders	24
III	Detailed split of population sample selected for the study	79
IV	Categorization of items as per the negative emotional states	83
V	Categorization of the summed-up score based on the severity of the negative emotional states	83
VI	Determinants of Depression - Gradation and scoring norms	87
VII	Determinants of Anxiety - Gradation and scoring norms	89
VIII	Determinants of Stress - Gradation and scoring norms	91
IX	Sociodemographic characteristics of the respondents	111
X	Levels of categorisation of Depression, Anxiety and Stress (DAS) and its prevalence among the respondents	113
XI	Interrelationship between Depression, Anxiety and Stress among the respondents	116
XII	Association of Gender on the Levels of DAS among the selected respondents	118
XIII	Differences in DAS of the respondents based on their Gender	120
XIV	Association of the Class of Study on the levels of DAS among the selected respondents	122
XV	Differences in DAS of the respondents based on their Class of study	124
XVI	Association of the Area of Residence on the levels of DAS among the selected respondents	126
XVII	Differences in DAS of the respondents based on their Area of Residence	128

<b>TABLE NO.</b>	<b>TITLE</b>	<b>PAGE NO</b>
XVIII	Pairwise comparisons within the Type of Residence for the Anxiety domain	129
XIX	Association of the Type of family on the levels of DAS among the selected respondents	131
XX	Differences in DAS of the respondents based on their Type of family	133
XXI	Association of Father's educational qualification on the levels of DAS among the selected respondents	136
XXII	Differences in DAS of the respondents based on their Father's educational qualification	138
XXIII	Pairwise comparisons within the Father's educational qualifications for the stress domain	140
XXIV	Association of Mothers' educational qualification on the levels of DAS among the selected respondents	142
XXV	Differences in DAS of the respondents based on their Mother's Educational qualification	144
XXVI	Pairwise comparison within the Mother's educational qualification in the anxiety domain	146
XXVII	Correlation between potential determinants of depression and depression mean score	149
XXVIII	Correlation between potential determinants of anxiety and anxiety mean score	151
XXIX	Correlation between potential determinants of stress and stress mean score	152
XXX	Mean Scores and Standard Deviations of the Experimental and Wait-list Control Group in the pre and post phases of Intervention for Depression, Anxiety and Stress (DAS)	156
XXXI	Multivariate Analysis of Variance for Depression, Anxiety and Stress among the experimental and wait-list control groups	157
XXXII	Univariate Analysis of Variance for Depression, Anxiety and Stress among the experimental and wait-list control groups	158

---

<b>TABLE NO.</b>	<b>TITLE</b>	<b>PAGE NO</b>
XXXIII	Gender comparisons of Pre and Post Depression, Anxiety and Stress (DAS) mean scores between the experimental and wait-list control group	163
XXXIV	Mean scores and Standard Deviations of the Experimental Group during Pre-test, Post-test, Follow-up 1, and Follow-up 2 of Intervention for Depression, Anxiety and Stress	168
XXXV	Test of Sphericity for Depression, Anxiety and Stress	169
XXXVI	Multivariate Analysis of Variance for Depression, Anxiety and Stress	169
XXXVII	Univariate Analysis of Variance for Depression, Anxiety and Stress	170
XXXVIII	Pairwise comparisons for Pre-test, Post-test, Follow-up 1, and Follow-up 2 of intervention for the Experimental Group on Depression, Anxiety and Stress	171-172
