Supervisor

Dr. S. Uma Mageshwari

Professor

Department of Food Service Management and Dietetics

A Thesis submitted to

Avinashilingam Institute for Home Science and Higher Education for Women

Coimbatore – 641 043

In partial fulfilment of the requirements for the Degree of

Doctor of Philosophy in

Food Service Management and Dietetics

April 2025

Recommendations

1. Further exploration of indigenous and native banana cultivars is encouraged.
2. Conduct in vivo studies to investigate the prebiotic potential of unripe banana flours.
